Payment Options

Dear Patient:

We offer several options when making financial arrangements, determined on an individual basis.

- 
1. When payment is made in full at the time of service by cash, check or credit card (Master Card, Visa, Discover, and American Express), we extend a **5% courtesy** off the total (when your previous balance is zero). A Senior citizen courtesy of 10% is offered to patients who are 70 or over.
 2. **CareCredit** is a payment plan that requires pre-approval . This option offers patients a monthly payment plan WITHOUT any finance charges for a specified number of months (for treatment over \$300.00). Our office manager or staff member will be able to explain the details to you or go to **www.carecredit.com**.
 3. We do file insurance claims, but the patient is responsible for the bill, **NOT THE INSURANCE COMPANY**. We have no control over insurance companies and their policies.
 4. **Automatic Monthly Withdrawal** from your checking or credit card

Sincerely,

Oneida Dental Group Staff
